Dear Business Neighbor:

Thanks to the generous support of community minded individuals and businesses like yours, St. Nicholas Montessori School (St. Nick) has been serving South King County and North Pierce County communities since 1979. As we celebrate another school year, we continue to provide a hands-on, independent learning environment that focuses on the whole child.

On May 19, 2012, we will be holding our largest fundraiser of the year – our annual Spring Fair. This fundraiser is a fun-filled day for about 60 children and their parents with carnival games, food, and a raffle. Spring Fair generates revenue that allows St. Nick to offer many activities and events for the children, teachers, and parents throughout the year but also helps with:

- Providing additional learning opportunities for the children through field trips, seasonal activities, and adjunct instructors.
- Purchasing educational supplies for growing minds and additional playground equipment for active bodies.
- Sending our teachers to conferences and workshops to enable them to expand their knowledge and skills, share their enthusiasm, and foster an environment of lifelong learning.

Please join the many others who have shown willingness to support St. Nick by making a donation for our Spring Fair. Any level of support you can offer is greatly appreciated. Donations may be mailed directly to the above address or you may call to arrange a pick-up time with

_____ (name) at _____ (phone number).

Your business will receive recognition for your donation with a placard beside your donation on the raffle table as well as on our website after the event. Please note that our Spring Fair is open to the public so they too will be aware of your thoughtful donation.

Please call Shauna Higgins at the number above if you have questions regarding Spring Fair. If you are interested in attending, please let us know so we can send you all the details. We would be honored to have you visit our school.

Sincerely,

Shauna Higgins
Spring Fair Chair
